

**SMWC All-Star Picnic
June 8th, 2002**

The Williams once again hosted the SMWC All-Stars annual picnic and awards ceremony. Some folks came early and partied through the day. Coach G had a surf contest all morning and didn't arrive until later on. The picnic was held in the backyard under a tent with the pool and trampoline providing fun activities for everyone present. We all managed to go inside to watch the Belmont Stakes but most everything else was outside in perfect weather. Below are various pictures from the day's events. It was also Coach Jones' anniversary.
